OUR PRESIDENT WELCOMES YOU BACK TO THE TOP

Steven Nelkovski
President

Our journey Back to the *Top* of West Australian Soccer continues with season 2018 set to mark more major milestones in our club's storied history.

This year we have two celebrations! Our 65th birthday! The second marking it was 40 years ago that Olympic Kingsway were crowned State champions for the first time in 1978. These two significant moments highlight a massive year for the club.

Everywhere you look in 2018 you will be excited by all the new works.

Off the field, the City of Wanneroo's $2.6 million redevelopment is scheduled to begin in April. The project is a game-changer and will deliver Olympic Kingsway new facilities that include change-rooms, medical rooms, a gymnasium and covered seating for our members and supporters. Our 350 junior players will also have their own change rooms and storerooms.

Internally, our clubrooms will continue to be upgraded with the crowning jewel a brand new Museum capturing our rich 65 years of success. The opening date is already one of the most anticipated launches in local soccer.

Our quest to be promoted to State League One continues with the clear goal of winning this season's championship. With the core of last season's squad retained, coach Graham Normanton has bolstered the team's attack and built a squad for sustained success.

Building on the momentum of 2017, Olympic Kingsway has extended our major partnership with European sporting giants Macron. As our official apparel partner, Macron will now dress our players, at all levels and across all teams, for the next three seasons until 2020.

With the leverage of having one of the world's biggest apparel brands connected to Olympic Kingsway, our 2018 Sponsorship packages are tailored for you to maximise exposure across our different platforms.

The packages presented offer options to all types of businesses both large and small from high end sponsorship to casual and networking opportunities..

Don't miss out on the fun of being part of something very special this year and join Olympic Kingsway's journey Back to the Top.
